HOW IS ALL OF THIS OFFERED AT NO CHARGE TO YOU?

In 1909, our founders Milton Hershey and his wife Catherine established a trust to ensure that their fortune would empower students to lead happy, healthy, and fulfilling lives. This trust continues to fund Milton Hershey School to this day.

WHAT'S LIFE LIKE IN A STUDENT HOME?

Student homes have a family-like atmosphere where eight to 12 students of the same gender and age group live under the guidance of dedicated houseparents.

Houseparents are married couples with childcare experience that have passed a rigorous process to ensure the highest standards of safety, trust, mentorship, and support.

HOW DO I CONNECT WITH MY CHILD FROM DAY TO DAY?

Parents and guardians are key to student success. We work hard to keep you in contact with your child through regular phone calls, emails, and campus visits.

Students can also choose to return home for long vacation breaks and visit on certain weekends.

HOW DO I GET THE APPLICATION PROCESS STARTED?

To get the ball rolling, a parent or guardian needs to sign and return the Application for Admission and sign the School Information Form for your school to complete. The forms can be found online at mhskids.org/admissions.
