Join the fun at WINTERFEST

Saturday, Jan. 27 • 10 a.m.-Noon

Drop in with your family for a morning of fun at Milton Hershey School! Inside our middle school, Catherine Hall, you can participate in crafts, play carnival games, and visit with Coco the Bear and other Hershey characters. Our friends from ZooAmerica® will be here with an interactive animal encounter. Discover more about our campus during a trolley ride around town and talk with our Admissions team about the many things that make MHS an incredible place to live and learn.

**Limited spots are available for this special event.
Sign up today! We can't wait to meet you!**
